Who Lives in Your Backyard?

Backyard Habitat for Wildlife

How many of these animals live in your backyard?

A lot of different animals may be living in or using your backyard as a resting place or as a dinner table. The next time you are in your backyard, especially if the ground is a little muddy, take this checklist and see who has been in your backyard by matching the animal tracks.

____ Raccoon

____ Rabbit

____ Dog

____ Opossum

____ House Cat

____ Gray Squirrel

____ Gray Fox

____ White-tailed Deer

____ Eastern Chipmunk
